FIRE EXTINGUISHER CABINETS

All recessed and semi-recessed cabinets and surface-mounted steel cabinets have a heavy gauge, white baked steel box. Surface-mounted cabinets with steel door and trim have a box constructed entirely of clear or color anodized steel. Surface-mounted cabinets with stainless steel door and trim have a box constructed entirely of 304 stainless steel with a #4 finish.

Our products are manufactured in compliance with TS EN 671-1 and TS EN 671-2.

Manufacturer shall retain the right to make changes in the production standards and material without notice. Standard production has doors made of steel or hardened glass options are available upon request.

Knockouts for pipework connection are on the right side of standard manufacturing. If it is required to be on the left side, please specify in your order.
